

Godly Play Core Training Courses

Led by two Godly Play trainers, these three-day courses offer a mixture of trainer-led sessions and opportunities for coached storytelling by participants. Each day focuses on a different kind of Godly Play presentation (sacred stories, parables and worship) to help you understand how different styles of Christian language support spiritual exploration. Courses take place in a model Godly Play environment, with the opportunity to use and see a comprehensive set of resources.

Workshops cover:

- The Spirituality of Childhood
- Your particular context, concerns and questions.
- Godly Play resources
- Creating a safe space

'I've been challenged in my own use of language, of questioning in a wondering way and allowing others the freedom to express what God is saying to them through their story. I am still discovering Godly Play to be a gift that helps to nurture the precious child of God within us all.'
(Noreen Batt)
